Do you know your **Jeremiah** from your **Jeroboam**; your **Elisha** from your **Elijah**?  
 Do you know when the **Exodus** was, or the **Exile**? Where were **Jerusalem, Jericho** and **Joppa**?  
 Did you know that **Adam** and **Noah** were alive at the same time?

For many - *perhaps most* - Christians, vast sections of the Bible are either 'no go' or at least 'not gone' areas. They are strangers to much of God's exciting and important revelation to us.

**THE BIBLE IN A DAY** is designed to change all that.

We will make you feel at home in the worlds of the Old and New Testaments and help you join up all the pieces in a clear and helpful way. We'll give you the *what, where, when, who* and *why* of all the major events and sections of the Bible.

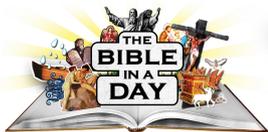

**6,000+ YEARS** in **66 BIBLE BOOKS** in **6 HOURS**.

With lots of visuals, opportunities for questions and a work book and notes, this is a great way to really get to know your Bible - *your whole Bible*.

"John can open up a small Bible passage in a way that people can see what it is actually saying, while at the same time making you aware that this is always best done against the background of the big Bible picture. Listening to John teach leaves you with the impression that the whole Bible story feeds in to the particular section you might be intending to get to grips with at any one time."

Rev Dr Sandy Roger
